The screenshot shows the INBISCO 'Issues' management interface. On the left is a navigation menu with options: Dashboard, New issue, Issues (selected), Planning, Customers, Supplier, Assets, Reports, Settings, Process manager, RAS, and Plantool. The main area displays a table of issues with columns for Priority, Issue number, Status, Issue type, and Issue type specification. The table includes a search bar and filters for 'All' and 'Risk Manager' views.
